Valedictorian

Sung Won Chung

I am the younger son of Mr. and Mrs. Wan Kyu Chung. My family and I are from the town of Aiea, Hawaii where I was raised for 13 years. My mother is now a housewife after she sold her business two years ago. My father works as a general contractor. U. Sung, my brother, is a former CSD graduate and attends Gallaudet College on Northwest Campus. He is the President of the Class of 1988. Julia, my sister, is a 5th grader at CSD.

I went to the Hawaii School for the Deaf and the Blind in Honolulu, Hawaii in 1969 for 7 years before going to CSD in Berkeley in 1976. There are many fine staff members at CSD who were willingly to help me to be a good leader and help me get involved in many different organizations. I will honestly tell you that CSD is the best school for the deaf that I have ever attended.

The secret of my success is to have a strong desire to achieve something I really want. My advice to other students is to set a goal. You will be successful if you plan faithfully.

I plan to go to the National Technical Institute for the Deaf in Rochester, New York or Gallaudet College in Washington, D.C. to study to become a computer programmer, or a business administrator or a doctor.

Salutatorian

David Newton Bennett

I am proud of my deaf sister, Nancy Marie, who was the Valedictorian for the Class of 1982, and I am now proud to be Salutatorian of the Class of 1984.

I am the fifth child of Mr. and Mrs. Carl Newton Bennett and my siblings are Theresa Davis, Steven Bennett, Ronnie Williams, Nancy and Jeffrey Bennett. I attended Nystrom School in Richmond in 1968 for two years and Harding School in El Cerrito in 1970 for six years before going to C.S.D. in Berkeley in 1976.

I have been living in the town of Rodeo all of my life. I used to go fishing and do the gardening. I raised rabbits, chickens, geese, ducks, pigs, and sheep. My parents run a marina and a restaurant in Rodeo and two ranches in Lovelock, Nevada.

I like working as the Editor-in-Chief of the Yearbook and like Photography. I am also interested in the genealogical research of my family. I plan to go to Rochester Institute of Technology in Rochester, New York to become a good photographer and hopes to have agriculture as my career.

My secret of success was simple: to do my homework, understand the subjects and to budget my time to get plenty of leisure time.

I will miss my friends, of course, and the good time at the California School for the Deaf. I am looking forward to my graduation and my Salutatory Address on June sixteenth.

1983-84 CSD Retirees

David Fraley

Division of Instruction

Dave was born in Ashland, Oregon and two months later went to live in Alameda, California. He was graduated from Alameda High School in 1939 and attended City College of San Francisco where he studied for two years before joining the United States Army Signal Corps. He served in New Guinea and in the Philippines between 1944 and 1945 at the end of World War II. After the war Dave attended San Jose State University and earned A.B. degree in P.E. He joined the P.E. department of California School for the Deaf, Berkeley in 1949 as a P.E. teacher and coach of football, basketball and track.

Mr. Fraley will retire this June after 35 years of teaching. He is planning to enter the Special Education Aid program at the College of Alameda where he will earn a certificate in one year. His goal is to do volunteer work with handicapped students at Skyline and Tilden Schools. For recreation he and his wife travel to Idaho and Washington to visit their grandchildren. He is also an avid stamp collector.

Marguerite Grissette

Division of Residence

Marguerite has worked as a counselor for more than 20 years. She began her service at the school in September, 1962 and has worked with all age levels over the years.

Marguerite has one son and two grandchildren. Her first love is Art and Ceramics. She did a great deal of arts and crafts with our students and was particularly happy when we moved to Fremont in 1980 because the Senior Activity Center has a Ceramics room and a kiln! Marguerite also loves the opera and music and we are sure that she will now have more time to enjoy these interests.

Climmie Guess

Division of Support Services

Climmie Guess, Food Service Worker, in our Food Service Facility, began work at our school in September, 1974. Climmie is married and has two grown sons. She plans to finally get around to cleaning her house from top to bottom, taking art and sewing classes and hopes to do some traveling. Climmie is orginially from Tennessee and plans to visits her two sisters who still live there. She also has relatives in Maryland, and will visit them also drive carefully, Climmie.

Anne Hightower

Division of Support Services

Anne Hightower, Food Service Worker II has worked for the state of California for 26 years. Annie, as she is affectionally called, began her state service at Napa State Hospital in 1956. She later transferred to CSD, Berkeley in 1961 and served the school for more than 22 years.

Annie is married and has one daughter and son and a granddaughter 5 years old. Annie enjoys sewing and plans to travel and become involved with millinery and upholstery during her retirement.

Ralph Neesam

Division of Pupil Personnel Services

Ralph began his service to our school in September of 1947. He has given 36 years to our school. Ralph was a teacher in Elementary and Jr. High school from 1947 to 1965. He served as Principal in the high school department from 1965 to 1972. In 1972 he became Supervisor of Staff Development and served in that capacity until 1978. In 1978 our school was selected to participate in the Kellogg Special School of the Future, a Foundation from Gallaudet College. Ralph coordinated this five year effort and served as Director of Outreach and Training until his recent retirement.

Ralph served as Scout Director from 1950 until 1965. It was his responsibility to provide a program on Memorial Day during these years and many will remember how outstanding these programs were. He was awarded the Silver Antelope which is the highest award for scouting in the Western Region of the United States.

He also was President of the Registry of Interpreters for the Deaf and began the Northern California Chapter of the Registry of Interpreters for the Deaf. Ralph also served as a Board Member for RID from 1972 to 1976.

Ralph's contributions to the school and to the education of the deaf are innumerable. He will be sorely missed. We all hope that he will come back quite often to visit us.

Carola Rasmus

Division of Residence

Carola began working as a counselor in September, 1967 and has given sixteen years of service to our children. Carola has worked primarily with high school girls. Prior to coming to CSD she worked as an electronics assembler at the Pacific Instrument Company in Oakland. Carola is married to Ray who also retired. They have four children; daughter Joyanne is a teacher in our high school department.

Carola plans on catching up with her sewing and needle point now that she is retired and also plans to attend classes in Ceramics and Advanced Sewing. She and Ray plan on doing some traveling and have recently returned from Wisconsin.

Ray Rasmus

Division of Residence

Ray Rasmus has worked for CSD since January of 1968 and has given almost 15 years of service to our students. Ray became a Supervising Instructional Counselor in 1977 and was first assigned to Jr. High school boys. Later he took on the responsibility of supervising high school boys. Ray worked at the Oakland Tribune prior coming to CSD. Ray plans to catch up on his stamp collection which he has had for many years and to play more golf and do some fishing. Both Ray and his wife Carola new reside in Fremont and we will continue to see them when they occasionally come to school.

Helen Reel

Division of Support Services

Helen was born in New Orleans, Louisana. After graduating from high school she worked as a waitress and she also worked in a retirement home. Later she moved to Chicago where she lived for 9 years before coming to California in 1957. She established her own restaurant and took care of her ailing mother. She came to CSD, Berkeley in 1968 and has worked the last 16 years as a cook in the school's kitchen. During her retirement she plans to take a trip to the Carribean and enjoy the Mardi Gras of New Orleans.

John Stansfield

Division of Support Services

John began at CSD in August 1969 as a counselor in the Residence Department. John later became an Instructional Counselor and a Supervising Instructional Counselor. He also at one time served as our Transportation Officer responsible for arranging home going and return of students on the weekends. John finished his tenure at our school working with our elementary age students. Enjoy, John!

Carrie Walker

Division of Support Services

Carrie began in our Food Service as a part time employee in 1964; later she became full time and a permanent Food Service worker. Carrie became Supervisor of our Food Service Facility in 1975, and has worked a total of almost 19 years at our school.

Carrie is married and has six children and 16 grandchildren! Carrie plans to rest for a while and later this summer plans to visit relatives and family in Arkansas. We thank you Carrie for your years of service to our school and our children.

Limuel Wilson

Division of Support Services

Limuel Wilson has been an employee of the California School for the Deaf since November 19, 1947. His more than 35 years of service to our school was particularly apparent at the Berkeley site. Limuel was hired as a groundskeeper and he had particularly fine skill with plants and flowers. As many of us can remember, the grounds at Berkeley were a showpiece on our campus. Limuel was particulary responsible for the rose garden, one of the most outstanding features at our old campus. He was particulary adept manuvering the larger tractor mower around the terraced lawns at Berkeley. It won't be the same without seeing him cruising around campus on the tractor.

William Carter

Division of Support Services

William Carter, Stationary Engineer, has been with CSD for approximately nine years. Bill began state service with the Department of Health in Sacramento in February of 1974, and later transferred to CSD Berkeley. Bill and his wife will be spending most of their time at their ranch near Clear Lake. Good fishing, Bill!

Pearl Norris

Division of Pupil Personnel Services

Pearl was a nurse in our Health Service Facility for almost 17 years. Prior to coming to CSD, she worked at Booth Memorial Hospital and also the Childrens Home Society. Pearl is married and has two children, a boy and a girl. Her son is attending Cal State Hayward and her daughter is married and has three children.

Pearl's roots are in the San Joaquin Valley and plans to spend more time in that area. Pearl has quite a reputation for canning all sorts of fruits and vegatables. We wish her the best of luck in her retirement.

Wylie Roberts

Division of Support Services

Wylie Roberts, Instructional Counselor in the Residence Department, began working for CSD in September of 1970 and gave almost 13 years of service to the school. Wylie had particular interest in working with deaf children as his own son is deaf and had attended CSD Berkeley. Wylie was one of the first counselors to work with our Special Unit students when that program began in September 1975.

Wylie will continue to work with deaf children as he and his wife now have a foster home license and have deaf children living at their home.

Carl Steele

Division of Support Services

Carl Steele, Security Guard has been with CSD for 18 years. He began his service to the school in September of 1964. Carl gave 23 years of service to his country while serving in the United States Navy prior to his working at CSD. Carl is married and has three grown children. An example of Carls dedication and service to the school occurred the week prior to his retirement on April 1, 1983. On Monday he broke his wrist on rounds here at school. He took sick leave days and came back on the weekend to work the final two days of his shift prior to his retirement on April 4th. Thanks, Carl!

SUPERINTENDENT

June, 1984

Dear Members of the Class of 1984:

Congratulations and best wishes upon graduating from the California School for the Deaf, Fremont. Your class is the first to spend four years of high school at our new campus and you are the largest graduating class in the history of our school.

I am proud of each of you. The Class of 1984 has contributed greatly to the enhancement of our school. Members of the Class of 1984 have led in the efforts to establish a high quality Instructional Television program. Our Student Body Government was strengthened by the leadership provided by your class. A student code of conduct was established with your help. All of these things have added to the quality of life for students who attend the California School for the Deaf, Fremont.

We will miss all of you. We are pleased to have such fine seniors who will make their mark in the future. Your class will be remembered with fondness.

Our best wishes go with you. Please come and see us and remember to support your alma mater in the years to come. May your future be successful and happy.

Sincerely,

Henry Klopping

1984 EAGLE Yearbook
Editor-in-Chief

I still remember when I was a freshman. The 1981 Eagle Yearbook was established and the Editor-in-Chief, Mark S. [illegible] offered a few opening lines to the freshman class. I walked to Mark and I said: "I want it!"

When I was chosen as the Editor-in-Chief by the Class of 1984, I began to work the summer of '83. I spent week in August at Shelley Ann Souza's, our Assistant Editor. It was only a few miles away from the Josten's American Yearbook Company in Visalia. We spent a day browsing through the company's library which consisted of three thousand yearbooks from all over the nation! We got a lot of ideas and I wish to thank Shelley's parents, Mr. and Mrs. Leonard Souza, for letting me be their guest.

So far this year, Sandra Kay Lund, Cary Barlow, and I went to the Yearbook Workshop in Palo Alto to learn about the do's and don'ts of writing a yearbook. On November 28, the Yearbook class went to Josten's American Yearbook Company's Plant. It had excellent services and produced beautiful yearbooks. We gained more confidence in working [illegible] layouts and pictures. This year we have used [illegible] a ready-type on CG 48 Phototypesetting machine, MCS Mini-Disk Terminal, Editwriter 7500 from the Graphic [illegible] Vocational Department, and have met our deadlines.

Finally, we produced our yearbook's fourth volume, the EAGLE. It has 216 pages including six colored and four autographed. This was the first time Nathan Fylstra designed the EAGLE's beautiful cover.

I wish to thank all the 1984 EAGLE Yearbook Staff for their creativity, cooperation, effort and a lot of patience with me. Especially to Wendi Chadd, Jet Omila and Rebza Wright for giving up two days to work during Christmas Vacation. I also want to thank all of you for your patience during the photographing. Thanks to Laura Smith for sharing her Homecoming Game pictures; Dawn Ramos, Jamie Farquar, and Esther Pedersen for sharing their Far West Basketball Classic pictures from Salem, Oregon; Andrea Louie and Rudy Galicia for the Close-Up pictures; and to Jeff Firestone, a professional photographer and the owner of Firestone Fotography on 139 Washington Blvd. Fremont, CA 94539, for giving us free pictures of 120 seniors, five Homecoming Courts, four Wrestling Courts, four Basketball Courts, a Valedictorian and a Salutatorian.

What a fabulous thing to have a yearbook! It is the only book that will provide rich memories for years to come.

ENJOY IT!

Yours,

David N. Bennett
